

JAVA DEVELOPERS

Milton Keynes

Tired of the 7.06am to London Euston?

The White Clarke Group is one of the UK's most significant providers of leading edge technology solutions to the Banking and Motor Finance industries, our client list lists over 100 household names and blue chip corporates. Founded in 1992, we are a genuine global player with a presence in 22 countries with 240 employees in the UK, Europe, North America and Australia. Situated in a very accessible location (with free parking) and 5 minutes from central Milton Keynes we are looking for a number of highly qualified technologists to join us. We offer challenging project work and the opportunity to grow within a supportive, creative environment.

JAVA CONSULTANTS

JAVA 5, J2EE, EJB, HIBERNATE, ESB, UML

£38,500 to £44,400

This is a crucial role in a key project for a global bank and requires an applicant with at least 4 years experience of developing commercial JAVA applications. As well as excellence in application delivery you will also have a firm understanding of architecture issues and have first rate customer liaison skills.

JAVA ANALYST DEVELOPERS

J2EE, EJB, JBOSS, HIBERNATE, STRUTS, ORACLE

£31,750 to £36,000

White Clarke has a number of positions for developers with specific additional skills in either requirements definition, analysis and systems design. The roles are to work in "front line" teams with a high level of customer interaction. Therefore we require individuals with not only strong JAVA toolset development skills but also the confidence to address customer issues and opportunities.

JAVA SUPPORT DEVELOPER

JAVA, EJB, JMS, XML, VB, ASP, IIS, SQL SERVER

£31,750 to £36,000

This is the classic opportunity for the gifted all-rounder. You will work in a group of talented and resourceful people supporting technologies as disparate as JAVA and VB 6.0. Strong database skills are required as is the ability to focus on a customer's need and carefully resolve it.

JAVA DEVELOPERS

JAVA, J2EE, XML (HTML) EJB

£24,500 to £30,500

White Clarke is very interested in applications from those on the early stage of their development career with between 1 and 2 years experience in JAVA.

White Clarke will be running an Open Evening (by invitation only) at the Novotel, Saxon Street, Milton Keynes on Thursday June 21st. To find out more about these interesting positions please call Quantica for an informal chat on 01422-377377 or email your CV to wc@quantica.co.uk
